Mr. Richard Helms
Deputy Director for Plans
Central Intelligence Agency
Washington, D.C.

Dear Mr. Helms:

The Commission has just received certain of the materials which it requested of the Russian Government on March 24, 1964. I am enclosing herewith two copies each of the documents we have from the Russian Government and one copy of the translations of the same. The only documents which the Russian has not yet supplied from the statements of those which were handed to the Commission by the Government of Russia are the documents entitled "Autopsy Documents." These will be forwarded to you as soon as the Commission receives same.

Any comments which the Central Intelligence Agency cares to make on the enclosed documents will be appreciated.

Sincerely,

J. Lee Rankin
General Counsel
